

Wells

Family Association, Inc.

Volume 11

January 1991

My late Christmas gift to each of you can be said in this poem that was written by Grace E. Easley:

My Christmas Gift

My Christmas gift to you this year,
Is always in demand,
But one that is not purchased
In a store or wayside stand,
My gift is one so special,
That it brings a guarantee
Of everlasting friendship,
For all the years to be.

My Christmas gift to you this year,
Is never out of season,
Nor may it ever be returned,
Whatever be the reason.

It is a sweet reminder, that
when your skies are grey,
Somebody cares about you,
Who is not far away.

I bring to you the gift of
Love,
That shuts all coldness out,
Sustaining and uplifting,
As we learn what life's about.
It will remain unblemished,
And just as bright and new,
A hundred years from now, as
when
...I gave it first to you.

My prayer is that each of you have a **Wonderful and Healthy New Year**, and that you begin making plans now for the 1991 Wells' Family Reunion. The Reunion will be at the Johnson Central High School, Paints-

ville, Ky on August 31st and September 1, 1991.

If you were unable to make the 1990 Reunion, then you missed a good time. There were eleven states represented. Jim and Betty Clark Farley won the award for traveling the farthest distance, 2400 miles from Chino, California. It was their first time to attend, and they plan to be back this year.

The 1990 year was busy for everyone and the Wells' Board members worked hard getting ready for the reunion and are already at work for the 1991 Reunion. They met on October 20, 1990, and several things were decided that would improve the 1991 Reunion. One of the most significant changes is to move the registration and items for sale tables into the cafeteria where the workers can have the opportunity to visit and enjoy the activities.

I want to express my appreciation to the many dedicated workers that registered the guests, worked the for sale tables and greeters that seen that the food was taken into the kitchen while members registered. The heat was almost unbearable and some of our workers never left the tables all day. I also thank each of you for coming and
